

Licensing Agreement:

Under this Licensing Agreement, Licensor is providing Licensee the rights to produce electronic copies of the written publication(s) specified below and make them permanently available free of charge to everyone on the Internet.

Licensee will indicate to users that these electronic copies are from the appropriate books or other publications, and will provide Licensor with full rights to freely provide links on its own Internet web sites to such electronic copies displayed by Licensee.

Aside from Licensee's right to make and display these electronic copies free of charge on the Internet, the written publication(s) in question and all associated rights shall remain the sole property of Licensor or any other current holders of these rights.
